MANAGERS CORNER:

Wow! It is April already! Spring time is in the air. Newness is all around. The flowers are budding, the grass is green, and the community is blossoming! We have all but one building open! Amenities are "springing" up and we are so eager to see them finally in use! Thank you for choosing Abberly at Southpoint!

Respectfully,

Jon Mills Community Manager

Thank you to each person the donated to the food drive! Abberly at Southpoint was able to contribute 3 huge boxes of food to the local food bank, helping a lot of people! #HowYouLive
