MAY 2018

WELCOME Tavon Washington Sr. as our new Leasing Consultant at Abberly at Southpoint. He brings with him several years of sales and customer service experience. Tavon brings a warm welcoming smile to the office and is always willing to help! Tavon has lived in the Fredericksburg area his entire life. In his spare time, he loves to fire up his bar-b-que grill and spend time with his family. He is very excited to be a part of the Abberly at Southpoint Team and help make a difference in how people live.

Abberly at Southpoint, PROMISES to be a provider of quality products and services. Part of ensuring your home is in "tip top" shape, is through our Preventative Maintenance Program. Every 90 days we will need to access your home to ensure all appliances, sinks, etc. are working properly. We also take this time to change your HVAC unit filter. You will be notified by a letter on your door 48 hours in advance. We kindly ask that you confine all your pets to one room and to notify the office if you have a security alarm. Below is the Preventative Maintenance Schedule.

5/15: 10524 and 10508

5/17: 10514 and 10508

5/22: 10516 and 10510

5/24: 10520
