did you know?

Although it is unknown precisely where and when the phrase "trick or treat" was coined, the custom had been firmly established in American popular culture by 1951, when trick-or-treating was depicted in the Peanuts comic strip. In 1952, Disney produced a cartoon called "Trick or Treat" featuring Donald Duck and his nephews Huey, Dewey and Louie. —History Channel

Abberly at Southpoint would like to keep this tradition alive. On October 31st we will allow residents FOBs to work on all doors, for all buildings. This will allow "trick or treaters" to be able to access all front doors. If you would like to hand out candy, simply stop by the office for a door hange to let folks know to knock.

Preventative Maintenance and Filter Changes

October 5th

Buildings 10508 and 10524

Your Service Team will be performing preventative maintenance and filter changes in Buildings 10506 and 10524 on October 5th. We kindly ask that you kennel or secure all pets and please disarm alarm systems for that day. We do this service so that your heating/air conditioning units continue to work continuously and operate cost effectively for you. Thank you for your cooperation and we look forward to continue to service your home.

Reminder to use Fake Candles Only

Thank you so much for the school supply donations that your residents put together. We passed them out to principals this week and they were incredibly excited to get them in the hands of the students who need them the most. The staff and residents of Abberly at Southpoint make such a positive impact on our schools and communities, and we look forward to working with you again soon.

Thank You,
Renee
